
My Writing

Posted by Nicolas - 2008/02/24 05:14

I am very passionate about my writing. But I often feel critical of it and think its no good. I have no way of getting it reviewed either because my family doesnt understand how much it means to me. They couldnt help. I read alot of books by a vast amount of authors. But usually when i read books for young adults like myself, i often think 'Why am I reading this?'. And thats quite strange because i am a writer who loves to write, but, i dont really like reading other peoples books. And this is because most books out there just dont "call" to me. I have read other books which i could not have gotten enough of. I wouldnt be able to put the book down for hours because of how it captured you in the story. There were no dull parts. Everything just built on top of the last. Its interest and action and story just kept on climbing upwards to an explosive climax. I want my book to be like that. I dont want readers to think what I think while im reading most books. 'Why am i reading this?' I can name a few books that i thought were amazing right of the back. For example, House of the Scorpion and the Magyk series. With my book i want to attract kids who dont read much or even at all in their free time with a book that they cant steer away from. I am a teen myself and i do play alot of video games (you have to admit they are really fun!:cheer:) which allows me to add interesting elements that i find in video games and stir them in with my writing. By doing this i want to attract an audience of colors. People who love to read, people who read but not often, and kids who never read. I know for a fact that if my books gets published i can change kids for the better. Well, bring them to be intersted in writing and reading at least!

*I am only 13 years old but dont underestimate me! I have a passion for writing that can not be stopped. When i start writing the magic just flows from me and on to the paper (unless i get writers block:P). People constantly think that just because i am young i can not achieve my dream of becoming a writer. Well, all of you who doubt me i will prove you al wrong. Wait till 2009 comes around. You will all now my name well! ;)

P.S. If you are just like me and have a dream of writing but people think that you are to young to achieve that then e-mail me at nikster9@mail.com.

GOOD LUCK WRITING!

That's really great for you Nick. I am thirteen too, and I'm in the same boat. For me, it's hard to concentrate on the writing of the book. I have ideas pouring out of my ears, but I lack the motivation to get down writing it. I have just started writing my novel (hope I can stick to it this time)! I, like you, want to hit a broad audience. Lots of writers do.

On a different note, I really like the Magyk series!:P

I feel the same. I am also 13 and love to write, i actually am editing a first book!
I read alot of good books and then sometimes i fell like i could never write something like that.
Or when i read a book or someone else's work i find i cant concentrate on the book because i am constantly comparing!
But if you love to write like i do, dont worry about what others think and always keep writing!!

Carson Palmer, Once upon a time, was nfl jerseys considered one of the best quarterbacks in the league, he placed himself in the "elite quarterback" discussions in just his second year as a starter with 32 touchdowns and 3,836 passing yards in an 11-5 campaign. In helping to break a 15-year playoff drought by leading Cincinnati to the authentic nfl jerseys playoffs in 2005.

Also, Palmer was one of the most productive Women's nfl jerseys passers in the league, his 20 interceptions in 2007 were cause for some concern, but Palmer still topped 4,000 yards passing in each of those seasons. However, when Palmer throwback jerseys appeared in just four games – snapping his consecutive-start streak of 51 games in the process, that came to a screeching halt in 2008. Palmer returned to the field in 2009 and helped guide the Bengals to another playoff appearance as super bowl jersey AFC North champions.

Chad Ochocinco, Cincinnati spent its off-season bringing in receiving talent to help complement Palmer's only true weapon. Antonio Bryant is the new second receiver, and two rookies, slot receiver Jordan Shipley and tight end Jermaine Gresham also nfl jerseys are expected to contribute immediately. The team still has a strong running game and an underrated defense. But Palmer is 30, will be 31 this December, and if the Bengals are going to make a title push – let alone win a playoff game – with their franchise quarterback, they'll need to move sooner rather than later. Whether or not Palmer can re-establish himself as one of the league's elite throwers will be one of the more intriguing story lines league-wide this season.

I am very passionate about my writing. But I often feel critical of it and think its no good. I have no way of getting it reviewed either because my family doesnt understand how much it means to me. They couldnt help. I read alot of books by a vast amount of authors. But usually when i read books for young adults like myself, i often think 'Why am I reading this?'. And thats quite strange because i am a writer who loves to write, but, i dont really like reading other peoples books. And this is because most books out there just dont "call" to me. I have read other books which i could not have gotten enough of. I wouldnt be able to put the book down for hours because of how it captured you in the story. There were no dull parts. Everything just built on top of the last. Its interest and action and story just kept on climbing upwards to an explosive climax. I want my book to be like that. I dont want readers to think what I think while im reading most books. 'Why am i reading this?' I can name a few books that i thought were amazing right of the back. For example, House of the Scorpion and the Magyk series. With my book i want to attract kids who dont read much or even at all in their free time with a book that they cant steer away from. I am a teen myself and i do play alot of video games (you have to admit they are really fun!:cheer:) which allows me to add interesting elements that i find in video games and stir them in with my writing. By doing this i want to attract an audience of colors. People who love to read, people who read but not often, and kids who never read. I know for a fact that if my books gets published i can change kids for the better. Well, bring them to be intersted in writing and reading at least!

*I am only 13 years old but dont underestimate me! I have a passion for writing that can not be stopped. When i start writing the magic just flows from me and on to the paper (unless i get writers block:P). People constantly think that just

2007 UGGs On Sale trend since the beginning of my life to follow suit and buy a first pair of UGG - of course, I bought on Taobao, the Chinese people for the ability to respond very fast fashion, you can even in the Beijing Zoo Wholesale market to find the last Paris fashion week new models of imitation. This year, I thought this brand hopeless situation, but after the sad discovery stroll around, can go into my jeans, still only UGG Amberlee. Blue Harbour shopping center in Beijing shop, while back there was a line to buy even the phenomenon, the staff selected items in the store door control the number of guests, out of a group, and then into a group, boots prices soared along with prices , a pair of basic models have a small two thousand.

UGG Retro Cargo in the end how red? Take China for instance, the degree of red just like that section of LV Neverfull handbags, like up to Zhang Ziyi, next to his mother comes in different forms, a pair of manpower. If you been to Beijing Maternity Hospital in winter, you can also "surprise" that every belly bulge of the foot will tread one pairs of mothers UGG Roslynn. Listen to friends that she had met in Dubai, the local woman wearing a black veil, you can vaguely see the pedal pair of UGG Highkoo, these shoes warm desert weather with enough feet to walk in a pressure cooker, in still wear such circumstances, sufficient to show the magic of these UGG Kensington.

So, UGG Kenly what? It is how the red up? This affected the whole of the global fashion community event, break it open, may be disappointing. To be honest, at this time, we do not lack for fashion design and creative, but how to get more people to see and accept, however, is to look at the success of this business case.

In this sense, UGG Classic Mini represents a new brand and new things in the era of the rise of new communication path.

UGG Knightsbridge is actually not a brand, but a form of UGG Fox Fur. Thick stupid snow boots, warm but very lightweight. There are now more popular brands: UGG Australia, Yellow Earth, Blue Mountains and so on.

Main outdoor brands in the U.S. company bought the UGG Delaine Deckers before, these boots mainly for a breakdown of the crowd - surfing enthusiasts. Deckers took over after that, with exquisite materials (must be Australian A-level anti-wool skin) and comfortable foot feeling, UGG Jimmy Choo can break the barriers of the professional market by more consumers.

So, Deckers try a pair of UGG Classic Cardy as a gift at that time due to star in "Beach Guard" and was crazy paparazzi shot of the actress Pamela Anderson to recover, while wisely included a pair of UGG Classic Tall to the small Anderson daughter. UGG foot feeling so comfortable to wear to the small Anderson, feet first, with the parents and daughter to wear, Anderson also tried to wear a UGG. It is superior warmth and comfort impressed Anderson, people from frequently see in the picture from UGG Rayathe gossip Anderson wearing it at the shooting scene, and began to wonder why the actress is so popular that two-odd boots.

Influence influential people, and spend the least money, which is the company's strategy Deckers. In this process, the fashion industry is not without sound, the very beginning, those who used to create a sense of distance in this two-civilian boots do not complain, or even that this is the dress from the Australian farmers. Deckers boots up to the hands of Oprah Winfrey, surprise, talk show queen is like, then gave her to buy 350 pairs of all employees, and the show "Oprah's Favorites" Introducing the unit to the audience of this pair of shoes. Obviously the concept of opinion leaders is very important, have to say, most of the fashion world but it is still the fence, so, more and more people began to notice the odd shape was many celebrities love the UGG Mayfaire, Gwyneth * Paltrow, Cameron Diaz, and even Spielberg family wearing UGG Tassel have often appeared in public, and their street shooting pictures frequently appear in fashion magazines.

Fall fashion discourse full circle makes the market psychology has accumulated enough heat. In order to continue to be detonated longer popular, Deckers addition to developing more new products, the topic will be the focus of attention the past few years, "who wear UGG Bailey Button Triplet", guide for the past two years, the "UGG how to wear" . With the street shooting star to help ordinary people to join this a boom among the participation in this show business go into continued momentum.

If you want appraisal fashion phenomenon of the last five years, then, in addition to UGG Classic Short, the list should have Crocs, which is double hollow plastic shoes swept the globe. It UGG Sheepskin Cuff Another common point is to break the routine for our understanding of the shape of shoes, in the beginning there is, are with the "ugly" word to describe, but later, Crocs successfully passed the former U.S. President George W. Bush on vacation photo wearing Crocs, opened the first down the entire market.

Seems to be the same starting point, but UGG Annabelle Crocs not so beautiful now, although there are developing products for fall and winter wear, but the latter is far less practical degree. After the initial wave of the past, sought after

people began to reflect this double-expensive plastic shoes in the end worth it?

This is a brand appeal on the tragedy. UGG Bailey Button not yet have this kind of problem, which was double the Party, was under the Beijing subway boots, still in a noisy fashion circle has a private plot. We have the anti-"Ray," the ability to accept the ideas of the designers of various experimental products, but how about changing the aesthetic of this battle continues, and perhaps they should think about.
