Re:First sentences! Feel free to

Posted by uggs on sale - 2011/09/01 20:36

2007 UGGs On Sale trend since the beginning of my life to follow suit and buy a first pair of UGG - of course, I bought on Taobao, the Chinese people for the ability to respond very fast fashion, you can even in the Beijing Zoo Wholesale market to find the last Paris fashion week new models of imitation. This year, I thought this brand hopeless situation, but after the sad discovery stroll around, can go into my jeans, still only UGG Amberlee. Blue Harbour shopping center in Beijing shop, while back there was a line to buy even the phenomenon, the staff selected items in the store door control the number of guests, out of a group, and then into a group, boots prices soared along with prices , a pair of basic models have a small two thousand.

UGG Retro Cargo in the end how red? Take China for instance, the degree of red just like that section of LV Neverfull handbags, like up to Zhang Ziyi, next to his mother comes in different forms, a pair of manpower. If you been to Beijing Maternity Hospital in winter, you can also "surprise" that every belly bulge of the foot will tread one pairs of mothers UGG Roslynn. Listen to friends that she had met in Dubai, the local woman wearing a black veil, you can vaguely see the pedal pair of UGG Highkoo, these shoes warm desert weather with enough feet to walk in a pressure cooker, in still wear such circumstances, sufficient to show the magic of these UGG Kensington.

So, UGG Kenly what? It is how the red up? This affected the whole of the global fashion community event, break it open, may be disappointing. To be honest, at this time, we do not lack for fashion design and creative, but how to get more people to see and accept, however, is to look at the success of this business case.

In this sense, UGG Classic Mini represents a new brand and new things in the era of the rise of new communication path.

UGG Knightsbridge is actually not a brand, but a form of UGG Fox Fur. Thick stupid snow boots, warm but very lightweight. There are now more popular brands: UGG Australia, Yellow Earth, Blue Mountains and so on.

Main outdoor brands in the U.S. company bought the UGG Delaine Deckers before, these boots mainly for a breakdown of the crowd - surfing enthusiasts. Deckers took over after that, with exquisite materials (must be Australian A-level anti-wool skin) and comfortable foot feeling, UGG Jimmy Choo can break the barriers of the professional market by more consumers.

So, Deckers try a pair of UGG Classic Cardy as a gift at that time due to star in "Beach Guard" and was crazy paparazzi shot of the actress Pamela Anderson to recover, while wisely included a pair of UGG Classic Tall to the small Anderson daughter. UGG foot feeling so comfortable to wear to the small Anderson, feet first, with the parents and daughter to wear, Anderson also tried to wear a UGG. It is superior warmth and comfort impressed Anderson, people from frequently see in the picture from UGG Rayathe gossip Anderson wearing it at the shooting scene, and began to wonder why the actress is so popular that two-odd boots.

Influence influential people, and spend the least money, which is the company's strategy Deckers. In this process, the fashion industry is not without sound, the very beginning, those who used to create a sense of distance in this two-civilian boots do not complain, or even that this is the dress from the Australian farmers. Deckers boots up to the hands of Oprah Winfrey, surprise, talk show queen is like, then gave her to buy 350 pairs of all employees, and the show "Oprah's Favorites" introducing the unit to the audience of this pair of shoes. Obviously the concept of opinion leaders is very important, have to say, most of the fashion world but it is still the fence, so, more and more people began to notice the odd shape was many celebrities love the UGG Mayfaire, Gwyneth * Paltrow, Cameron Diaz, and even Spielberg family wearing UGG Tassel have often appeared in public, and their street shooting pictures frequently appear in fashion magazines.

Fall fashion discourse full circle makes the market psychology has accumulated enough heat. In order to continue to be detonated longer popular, Deckers addition to developing more new products, the topic will be the focus of attention the past few years, "who wear UGG Bailey Button Triplet", guide for the past two years, the "UGG how to wear" . With the street shooting star to help ordinary people to join this a boom among the participation in this show business go into continued momentum.

If you want appraisal fashion phenomenon of the last five years, then, in addition to UGG Classic Short, the list should have Crocs, which is double hollow plastic shoes swept the globe. It UGG Sheepskin Cuff Another common point is to break the routine for our understanding of the shape of shoes, in the beginning there is, are with the "ugly" word to describe, but later, Crocs successfully passed the former U.S. President George W. Bush on vacation photo wearing Crocs, opened the first down the entire market.

Seems to be the same starting point, but UGG Annabelle Crocs not so beautiful now, although there are developing

products for fall and winter wear, but the latter is far less practical degree. After the initial wave of the past, sought after people began to reflect this double-expensive plastic shoes in the end worth it? This is a brand appeal on the tragedy. UGG Bailey Button not yet have this kind of problem, which was double the Party, was under the Beijing subway boots, still in a noisy fashion circle has a private plot. We have the anti-"Ray," the ability to accept the ideas of the designers of various experimental products, but how about changing the aesthetic of this battle continues, and perhaps they should think about.
