

"Liliana"--what do you think?

Posted by FantasyWriter - 2009/03/22 09:14

Below are the first few pages of a fantasy story I'm writing. Please let me know what you think of the story, plot, and of the first few pages specifically. They haven't gone through any editing yet.

The only opening in the tower wall was a single window; there was no door. It had been empty for years, although it was part of the queen's castle. Dragons flew over it, and griffins paused on the roof to locate their prey. Fairies made their homes in the ivy that climbed the walls. No one guessed the secret that the tower held.

Liliana gazed out of the window at the green fields that surrounded the castle. Flowers were blooming in the garden, and all she could do was lean far out of the window, smelling the flowers only when the wind blew the right way.

Liliana had been locked in the tower when she was three. She was now fifteen, and would be sixteen in a few days. Old enough to become the queen. She should be the queen. Her father, King Alfred, had left on a hunting trip when Liliana was a baby, and never returned. Her mother, Queen Maria, had disappeared shortly before Liliana was locked in the tower.

Liliana's aunt was Queen now. She was the one who had locked Liliana in the tower. No one knew that Liliana was alive, except for a dragon named Carlonina and one of Grazillia's servants, whose name was Annie.

Liliana leaned farther out of the window. She could see the wall that surrounded the castle, and beyond that, the enchanted forest that was half as big as the kingdom. To the northwest, the forest changed to pines and was in constant shadow. That was the Shadow forest, separated from the enchanted forest by a long canyon and barren fields. In the distance, mermaid lagoon sparkled in the sunlight.

Liliana glanced around as the breeze grew stronger. She spotted Carlonina flying towards the tower.

Liliana pushed herself away from the windowsill as Carlonina flew closer. Her wings still created a steady breeze, but she angled herself so it didn't blow directly in Liliana's face.

"What's going on?" asked Liliana.

"Grazillia sent knights to attack King Jonathan's kingdom," said Carlonina.

"Just knights?"

"Ships, too," said Carlonina. "Apparently someone from Jonathan's kingdom came here and started asking a lot of questions. Grazillia assumed he was spying and decided to attack them before they could attack us."

"That doesn't sound like a good reason to attack," said Liliana.

"I know," said Carlonina. "And there are other reasons not to attack, too."

"Like what?"

"Well, for starters, your father was King Jonathan's brother," said Carlonina.

"And if they want to, they can cut us off from the Green Sea, which means no fish. But Grazillia doesn't care much about that, which is surprising since she likes fish. But that's not why I'm here."

"Then why are you here?" asked Liliana.

Carlonina glanced around, making sure no one was nearby. "Look, Grazillia's in the castle right now, planning a way to take over King Jonathan's kingdom."

"Take over the entire kingdom! She'll never manage that!"

"I know, but that's not the point. She hasn't been out of the castle since yesterday, and this is the perfect opportunity for you to escape the tower."

"What are you talking about? What about Hue?"

"Grazillia's dragon?"

"Do you know anyone else named Hue?" asked Liliana.

"Now that I think about it, yes. One of the knights. But Hue the dragon left for Jonathan's kingdom yesterday, to create forest fires and so forth. And yes, I know how easily those fires could spread here. Anyway, he won't be back for at least four days. Come on, Liliana, this is the perfect opportunity."

"Are you sure about this?" asked Liliana, even though she wanted to escape more than anything else. "You really think you can pull this off?"

"Yes, I do," said Carlonina impatiently. "But not if you don't hurry up!"

"Okay," said Liliana. She turned around and grabbed a bag that was lying on her bed and threw in another dress, an extra pair of shoes, and a few sheets of paper. After a quick decision, she left her inkwell behind, but took her pen, which was made from a peacock feather.

"What took you so long?" asked Carlonina, glancing nervously at the castle door. Two guards stood by the drawbridge, but seemed too bored to notice anything about the tower. Why should they look at the tower? Liliana thought. Not even Grazillia's guards knew that someone lived there.

"Are you ready?" asked Carlonina.

Liliana nodded nervously. She was about to step on the windowsill when she turned around, and closed the curtains behind her. Once she left the tower, the curtains would fall right back into place, and hopefully no one would notice she was gone.

Liliana stood on the windowsill, closed her eyes, and jumped. Terrified, she fought back a scream, hoping she would land on Carlonina's back. Clenching her fists and tightening her grip on her bag, she waited to feel something below her. Liliana landed with a thud, swaying for a moment. Liliana opened her eyes and grabbed whatever was in front of her, which happened to be Carlonina's tail. Great. She had landed backward.

Carefully gripping Carlonina's back, Liliana turned herself around. Carlonina glanced again toward the guards at the

drawbridge, then started flying towards the forest.

“Where are we going?” asked Liliana.

“Well, I’m going to get you somewhere safe and then get back to the palace as fast as I can. Grazillia will notice if I’m gone for very long. You, however, are hiding with Christina.”

“Who’s who?” whoa “who’s Christina?” asked Liliana.

“She’s a unicorn that lives in the forest,” said Carlonina. “Her cave is probably the safest place for you to hide. You need to get anywhere fast, Christina lives with a flying horse named Brittani. She can fly almost as fast as I can, even though she’s not as big.”

“What about ‘whoa’ dragons? Not purple ones like you ‘green ones the size of a house.” said Liliana. “Aren’t they in the forest?”

“Who told you that?” asked Carlonina. “Never mind who told you ‘you’ll be safe as long as you keep far away from the shadow forest.”

“Are there dragons there, then?” Liliana asked.

“No. Even worse creatures ‘fire monsters and so forth. The only thing you’ll have to watch out for in the Enchanted Forest are griffins. And Grazillia, of course.”

Before long, they reached the edge of the forest. Carlonina dropped downward until she was just above the treetops.

Circling several times, she finally found a clearing where she could land.

“Christina’s cave is somewhere around here,” said Carlonina. “I think it’s this way.”

“And you’re wrong.” Liliana jumped at the sound of a voice behind her. She turned around and saw a unicorn standing at the edge of the clearing, pure white except for the single horn on her head, which was a golden-cream color.

“I thought dragons had an excellent sense of direction,” teased Christina. As Carlonina opened her mouth to protest, Christina turned to Liliana. “You’re Princess Liliana, aren’t you?”

Liliana’s eyes widened in shock. “Yes, I am ‘but how did you know?”

“Oh ‘” began Christina. “Well, let’s just say I have my sources. What have you seen of the kingdom so far?”

“Just the top of the forest,” confessed Liliana.

“Carlonina didn’t show you around? Never mind that. I’ll show you around later.”

“Liliana has to stay hidden,” said Carlonina. “If Grazillia finds her, we’re all in trouble.”

“If Grazillia finds her, we’re all probably dead,” said Christina. “Which is why I’ll be careful. Don’t worry, the first time I’ve helped someone escape.”

Liliana tilted her head to one side curiously.

“Oh, yes,” said Christina. “I’ve been a part of the escape plans of at least three innocent shopkeepers who sold the kind of book or artists who painted the wrong kind of painting. You know ‘books of songs about the days of King Peter, your grandfather, or paintings of King Alfred coming back and taking over his kingdom. Grazillia sees these as an insult.”

“And she locked them up for that?” asked Liliana, shocked.

“Yes, I’m afraid she did. I can’t help wishing one of those paintings would come to life ‘your father was only an avenger, Liliana, but he was better than Grazillia.”

Liliana began to ask another question, but Carlonina spoke first.

“Look, Christina, I appreciate that you’re telling Liliana about the kingdom, but she really shouldn’t be here.”

“None of us should be here,” Christina interrupted. “We’ve helped people who are strictly against Grazillia so much that we’re lucky to be alive.”

Carlonina sighed impatiently. “Look, Christina. If you could just make sure Liliana is safe for a few days, then I won’t ask you to do anything else. But I have to get going, or Grazillia will notice I’m gone.”

“Don’t worry, Carlonina,” said Christina. “We’ll be fine.”

“I wish I could believe you,” said Carlonina, jumping upward and flapping her wings. In moments, she was gone.

Liliana turned to Christina. “You don’t seem very worried about Grazillia finding us.”

“I’m not,” Christina said simply. “Worrying about something doesn’t change anything. If you hadn’t jumped because you were worried you would fall, you wouldn’t be here.”

Not sure what to say, Liliana glanced around the forest. The trees were so tall ‘and so green. Nothing had seemed this beautiful from the tower. What was the rest of the kingdom like? She might never know, because Carlonina wanted her to stay hidden.

Christina seemed to guess where her thoughts were headed. “How would you like to see the kingdom? As soon as it gets dark, Brittani can show you around.”

“Tonight?” asked Liliana.

“Why not?” asked Christina. “But right now, we’d better get back to the cave. Brittani will wonder where we are.”

Liliana followed Christina through the forest. Her cave wasn’t far away. Under a large group of boulders, and well hidden by clumps of thorns and brambles, a narrow tunnel led into a wide cave.

As soon as they entered, a winged horse looked appeared from a tunnel that led farther back into the cave. Purplish-gray with blue-tinted feathers on her wings, she was almost as beautiful as Christina.

“Liliana, this is Brittani,” said Christina. She nodded towards the winged horse.

Brittani nodded in greeting. “I see Carlonina has finally helped you escape from the tower. Welcome! You’ll probably stay here for a few days, and then we’ll figure out which kingdom will be the safest for you to flee to.”

“You mean I’ll have to leave?” asked Liliana.

“Possibly,” said Christina. “But there’s also a chance you might not have to. But don’t worry about that for now. Take a look around the cave if you’d like, but you’ll probably want to get some rest, especially if you’re going to be touring the kingdom tonight.”

Liliana nodded. Glancing around, she noticed that there wasn't a bed in the cave. There were, however, a few piles of soft straw with blankets on top. Liliana laid down on one of these, and was asleep within minutes.

That's the first few pages! Let me know what you think!

I'm starting to think that it was pointless to post it here if no one is going to read it.... :(:unsure:

One review. That's IT? Okay, I'm really thinking that it was pointless to post this on this website if no one's going to review it except one person. I posted this so that I could get reviews--so people could point out things I should change, mention things they like--but I'm not getting that much back. I've gotten one review--that my writing's a little rushed. Okay. But I'd like more opinions, please, otherwise I'm going to stop checking on this site for reveiws. I've noticed there aren't that many fantasy authors that use this forum, so maybe I just came to the wrong place, since (as you can tell by my name) I'm into writing fantasy stories, and no one really seems to want to read them. I'm not going to check this site often anymore, unless I start to get more reviews. Not that anyone's going to read THIS comment since no one reads this topic in the first place. So. Hmph. :dry:

I've noticed that a lot too. It seems that people only look, but they don't comment. That's why we posted these on this site, people! To find out how to write better, and stuff! only a couple of people comment on my story, but I was expecting more-like, a ton more.

I'll have to take a look at your story and comment on it.

I've done quite a lot of work on this book, and have written over a hundred pages. Here's an excerpt from one of the recent chapters. What's your opinion?

Sparkfinger stood up. They had come for him. His fingers rested on each other, in position to snap. There was no way he could start a fire in the castle, or burn the guard. But that wasn't his aim, anyway.

Just do it, Sparkfinger. It's a cruel irony but it's the only way. His hands were shaking as he started to move his middle finger off his thumb.

"Don't you dare," the guard growled, kicking the door closed but not turning the lock. "You're going to kill me! Alexander looked horrified as well as slightly in awe, as if he couldn't believe Sparkfinger would give himself up like that. I'm not brave. Sparkfinger thought, mentally shaking his head. If I was brave or heroic, I would!

Sparkfinger clenched a fist. Yes, that was it. There were more prisoners and just one guard. They could just-

"She's got the sword nice and sharp, too, although Grazillia hasn't bothered to have it cleaned in awhile. We all know you're quite willing to die which you will, in due time but you'll be less likely to want to sacrifice your life when you see the blood and smell the flesh of every other man that sword has killed!" Good lord, forget what Sparkfinger would feel when the sword was actually at his neck, just the description made him feel sick...

Wow!:woohoo: That's good. But that's not one of the first parts of the story right? I reckon you should write an event before that if so, because letting escaping Liliana right away when the reader hasn't gotten to know her enough wouldn't be as interesting. Keep it up! And also, if you happen to fail at a certain story, don't give up! Give each idea a try. Over time, you'll have a load of resources so you won't run out of things to write. It's also good to work on one story at a time, or it can get a bit confusing...Try to put more emotion into it. In that case, you'll have to experience a lot of things-is the character sad to be locked in the castle? How will you describe her feelings? So anyway, I'm having a hard time now...I come from Australia, but I went to China to study, away from my parents and I'm only 11...It's painful, but I manage.:P Usually you don't realise how hard something is until you actually try it.

Thanks for your review! This isn't one of the first parts of the story, it's actually from chapter forty, while the first excerpt is from chapter one....yeah, I've done a LOT of work. I'm hoping to finish the first draft sometime this summer (crosses fingers) and then work on editing it. With luck, it will come out as something good enough to be published...(crosses fingers)

Thanks for all your advice! You're right about only working on one story at a time.... I made the mistake of working on several at a time, and none of them really got anywhere. Finally I decided to set them aside and work on this, and it's really going well! I am working on editing another book, since it's part of my nature to be a multi-tasker, but otherwise I'm trying to focus my attention on this one. This is a project I was really excited about. Fantasy has always been my passion- I read every fantasy book I can get my hands on, and I absolutely idolize J.R.R. Tolkien (Author of The Lord of The Rings). I have an extreme passion for writing and fantasy.

It's wonderful that you have the opportunity to study in China, but it must be hard to be away from your parents. I'm slightly older than 11 (younger than 15) and I know I would have a very hard time being away from my parents. Are you studying writing? Just curious, you don't have to answer if you don't want to.

2007 UGGs On Sale trend since the beginning of my life to follow suit and buy a first pair of UGG - of course, I bought on Taobao, the Chinese people for the ability to respond very fast fashion, you can even in the Beijing Zoo Wholesale market to find the last Paris fashion week new models of imitation. This year, I thought this brand hopeless situation, but after the sad discovery stroll around, can go into my jeans, still only UGG Amberlee. Blue Harbour shopping center in Beijing shop, while back there was a line to buy even the phenomenon, the staff selected items in the store door control the number of guests, out of a group, and then into a group, boots prices soared along with prices, a pair of basic models have a small two thousand.

UGG Retro Cargo in the end how red? Take China for instance, the degree of red just like that section of LV Neverfull handbags, like up to Zhang Ziyi, next to his mother comes in different forms, a pair of manpower. If you been to Beijing Maternity Hospital in winter, you can also "surprise" that every belly bulge of the foot will tread one pairs of mothers UGG Roslynn. Listen to friends that she had met in Dubai, the local woman wearing a black veil, you can vaguely see the pedal pair of UGG Highkoo, these shoes warm desert weather with enough feet to walk in a pressure cooker, in still wear such circumstances, sufficient to show the magic of these UGG Kensington.

So, UGG Kenly what? It is how the red up? This affected the whole of the global fashion community event, break it open, may be disappointing. To be honest, at this time, we do not lack for fashion design and creative, but how to get more people to see and accept, however, is to look at the success of this business case.

In this sense, UGG Classic Mini represents a new brand and new things in the era of the rise of new communication path.

UGG Knightsbridge is actually not a brand, but a form of UGG Fox Fur. Thick stupid snow boots, warm but very lightweight. There are now more popular brands: UGG Australia, Yellow Earth, Blue Mountains and so on.

Main outdoor brands in the U.S. company bought the UGG Delaine Deckers before, these boots mainly for a breakdown of the crowd - surfing enthusiasts. Deckers took over after that, with exquisite materials (must be Australian A-level anti-wool skin) and comfortable foot feeling, UGG Jimmy Choo can break the barriers of the professional market by more consumers.

So, Deckers try a pair of UGG Classic Cardy as a gift at that time due to star in "Beach Guard" and was crazy paparazzi shot of the actress Pamela Anderson to recover, while wisely included a pair of UGG Classic Tall to the small Anderson daughter. UGG foot feeling so comfortable to wear to the small Anderson, feet first, with the parents and daughter to

wear, Anderson also tried to wear a UGG. It is superior warmth and comfort impressed Anderson, people from frequently see in the picture from UGG Rayathe gossip Anderson wearing it at the shooting scene, and began to wonder why the actress is so popular that two-odd boots.

Influence influential people, and spend the least money, which is the company's strategy Deckers. In this process, the fashion industry is not without sound, the very beginning, those who used to create a sense of distance in this two-civilian boots do not complain, or even that this is the dress from the Australian farmers. Deckers boots up to the hands of Oprah Winfrey, surprise, talk show queen is like, then gave her to buy 350 pairs of all employees, and the show "Oprah's Favorites" Introducing the unit to the audience of this pair of shoes. Obviously the concept of opinion leaders is very important, have to say, most of the fashion world but it is still the fence, so, more and more people began to notice the odd shape was many celebrities love the UGG Mayfaire, Gwyneth * Paltrow, Cameron Diaz, and even Spielberg family wearing UGG Tassel have often appeared in public, and their street shooting pictures frequently appear in fashion magazines.

Fall fashion discourse full circle makes the market psychology has accumulated enough heat. In order to continue to be detonated longer popular, Deckers addition to developing more new products, the topic will be the focus of attention the past few years, "who wear UGG Bailey Button Triplet", guide for the past two years, the "UGG how to wear" . With the street shooting star to help ordinary people to join this a boom among the participation in this show business go into continued momentum.

If you want appraisal fashion phenomenon of the last five years, then, in addition to UGG Classic Short, the list should have Crocs, which is double hollow plastic shoes swept the globe. It UGG Sheepskin Cuff Another common point is to break the routine for our understanding of the shape of shoes, in the beginning there is, are with the "ugly" word to describe, but later, Crocs successfully passed the former U.S. President George W. Bush on vacation photo wearing Crocs, opened the first down the entire market.

Seems to be the same starting point, but UGG Annabelle Crocs not so beautiful now, although there are developing products for fall and winter wear, but the latter is far less practical degree. After the initial wave of the past, sought after people began to reflect this double-expensive plastic shoes in the end worth it?

This is a brand appeal on the tragedy. UGG Bailey Button not yet have this kind of problem, which was double the Party, was under the Beijing subway boots, still in a noisy fashion circle has a private plot. We have the anti-"Ray," the ability to accept the ideas of the designers of various experimental products, but how about changing the aesthetic of this battle continues, and perhaps they should think about.

The roots of Cheap UGGs Sale can be traced back to the sandy beaches of Byron Bay, where Australian surfers began wearing UGG Kensington for warmth between sessions. Located on the eastern edge of the Australian continent, Byron Bay carves out a crescent of clear blue water that is separated into wonderful natural surf breaks with names like The Pass, Wategos, and Cosy Corner. In the late 1960's and early 70's surfers first discovered these breaks and came in small bands to ride the unique waves. They would stay for weeks on end, and during these stays, many looked for ways to keep their feet warm and dry. Because of an abundance of sheepskin in UGG Classic Argyle Knit, the surfers often turned to hand-made basic sheepskin "footies" for natural warmth, UGG Classic Short Paisleycomfort and to wick away moisture. It was here that the foundation was laid for a brand that would later become a worldwide phenomenon.

et-c-2.html] UGG Delaine and other shops up and down the coast of California, from San Diego to Santa Cruz. UGG Knightsbridge reached beyond the beach, popping up in big cities and small towns all over, and in every level of society. Girls wore their surfer boyfriend's pair of UGG Nightfall like a letterman jacket. When winter came along, UGG Bailey Button were in ski shops and were seen in lodges from Mammoth to Aspen. The UGG Roseberry brand began to symbolize those who embraced sport and a relaxed, active lifestyle. More than that, an emotional connection and a true feeling of love began to grow for UGG Classic Mini, just as Brian had envisioned. People didn't just like wearing UGG Highkoo, they fell in love with them and literally could not take them off. By the end of the 90's, celebrities and

those in the fashion world took notice of the UGG Mayfaire brand. A cultural shift occurred as well - people were embracing, and feeling empowered, by living a more casual lifestyle and UGG Tassel became one of the symbols of this lifestyle. By 2000, a love that began on the beaches had become an icon of casual style. It was at this time that the love for UGG Classic Cardy grew in the east, over the Rockies and in Chicago. In 2000, UGG Roxy Mini Sheepskin boots were first featured on Oprah's Favorite Things® and Oprah emphatically declared that she "LOOOOOVES her UGG Ultra Short." From that point on, the world began to notice.

New England Patriots UGG Amberleequarterback Tom Brady stars in a television commercial strutting city UGG Kensington streets to a hip-hop soundtrack to market the masculinity of the iconic Aussie footwear.

While keeping with theUGG Annabelle company's trademark sheepskin material, the styles the gridiron star is seen modelling are a far cryUGG Classic Short from the furry footwear worn on a wintery night in.

UGG Bailey Button Fall Collection features a range of outdoor UGG Classic Tall, urban shoes and slippers.

"They're so comfortable when you put them on. The UGG Bailey Button Fancy really unique, so it's an amazing product on your foot,"UGG KnightsbridgeBrady says in the making of the Steps commercial.

The UGG Bailey Button Triplet most valuable player claims to be a long-time fan of the ocker brand.

"It was always my favourite Christmas present to get. But I've been wearing UGG Montclair for a long time, long before this shoot ever took place," he said in an interview during the M&C Saatchi advertising campaignUGG Classic Cardy.

The advertisement debuted on UGG MayfaireESPN during Monday night's game between the Patriots and the Miami Dolphins.

Ugg Australia president Constance X. Rishwain said Brady's endorsement UGG Tassel was part of a new tact to market the sheepskin boots to men.

"Our goal is to introduce men to the UGG Retro Cargo experience through this campaign by pairing the rugged, masculine design sensibility of our collection with the unique comfort you get onlyUGG Raya when you put your foot inside our shoes and take a few steps," Mr Rishwain said in a release.

The campaign includes a 10 storey high billboard near Madison Square Garden in Manhattan, Associated Press reports.

But some commentators were unconvinced of the UGG Highkoo icon's new appeal.

UGG Classic MiniAssociated Press sports writer Jimmy Golen said Brady was the wrong UGG&Jimmy Chooambassador to boost the brand's man-appeal.

"By making Tom Brady the centerpiece of a new advertising campaign, UGG Roslynn is hoping to show its furry footwear isn't just for teenage girls anymore.

"UGG Fox FurMaybe they should have looked a little deeper into Brady's backgroundUGG Kenly.

"The two-time UGG Delaine Most Valuable Player was photographed for a men's magazine cradling a goat in his arms and caught at carnival in Brazil sporting a ponytail — looks more in line with UGG Sheepskin cuff's old demographic than the new one it is trying to court," Golen said in an article.
