## What do you think?

Posted by Sarah McCray - 2009/11/20 13:27

You know that feeling you get when you have a secret that you're not sure if you should tell anyone, but no one tells you that you can't, and every minute of the day you become more and more afraid of what once made you feel safe, and peaceful? That's the feeling that took me over. The feeling that stalks me, and haunts me in my sleep.

I'm not sure what is happening, but something isn't right. Something out in the woods is trying to find me, or someone. Every time I close my eyes I feel like I can't open them, because if I do I won't be home. It's dumb to run away, but it's the best thing to do to protect everyone I care about.

"Well, Montana will be a new experience," my father said coldly, "But I will defiantly miss you," he said warmly walking over to me. He wrapped his arms around me, and whispered, "I love you, promise to come visit me?" "I promise," I said back.

"Well good. I should probably get your stuff in the car," he pointed out.

I smiled. I turned and walked in the opposite direction into a sunlit hallway. I came up to my empty room where Mason was trying to remove my mirror from my closet door.

"Azalea, can I ask you a question?" he asked, pulling the last nail out of the mirror.

"Sure, anything Mase."

"Are you leaving because of what I saw in the woods?" he asked, I felt him put his hand on my shoulder, "I would understand. I just want to know the truth, and I want to know why I can do."

I didn't say anything. And it was a long moment before I simply nodded.

He wrapped his arms fully around me, pulling me closer and closer every second, "You know? I'm really gonna miss you Aza," he pulled away, and kissed me on the cheek, "Best friends forever," he promised.

"You know, you can't forget Johnny and you can't forget Leah either. It's gonna be weird finding a new circle to hang out with," I said grabbing his hands.

"Oh, but I thought I was the favorite," he joked, "So, this is it," he turned serious again.

So much

Asics Shoes Canada

,I don't know which one is my love,there are :Womens Asics California 78,Womens Asics Mini Cooper,Womens Asics Tokidoki Fabre,Womens Asics Tokidoki Mex Lo,Womens Asics Whizzer Lo and Womens Onitsuka Tiger Mexico.I bought a pair of

Asics Running Shoes

last .

Asics Alton ... compared to other shoes, he is extremely in the end a pair of running shoes ... or even running shoes are not really a professional .

I was the reason to buy it originally did not intend to wear it to run, just being attracted to his craft .

The greatest feature of this pair of Asics California 78 comes from the forefoot Phylon midsole and upper body using a molding process, was connected with the Asics Coolidge Lo,Asics Gel Kinsei 2 andAsics Gel Lyte 3.

Even the entire Asics the Tiger Claw LOGO Phylon midsole is the same direct connection ,this practice in the general running shoes, and even the field of sports shoes are rare .

Asics have many tiger kinds,as

Onitsuka Tiger Kanuchi

,Onitsuka Tiger Mexico 66 Baja, Onitsuka Tiger Mexico 66 Deluxe ,Onitsuka Tiger Mexico Mid and

Onitsuka Tiger Mini Cooper

, so many kind,and our father have those shoes:

Onitsuka Tiger Olympos ,Onitsuka Tiger Rotation 77and Onitsuka Tiger Ultimate 81.

Also, I recently read the news, Asics Gel Stratus 2.1 launched in spring 2011, the new Gel-Lyte Speed running shoes.

The release of two

Onitsuka Tiger Mexico 66

Gel-Lyte Speed new work to the classic running shoes Gel-Lyte as a type of white and blue and purple color of the

stitching of two upper spring always brings a fresh atmosphere for people, to convey their The design motive of the

season, and both sides of Onitsuka Tiger Mexico 66 Lautas shoes is still using a ten-sign logo is the outline color is more people can not ignore the sense of presence. I will buy a pair Onitsuka Tiger Tokidoki Mex Lo Shoes.
