## Watching Hour

Posted by Debbie - 2009/05/29 04:13

Hi, could someone tell me what they think of this. Just trying this for the first time. Thanks.

I didn't edit it too well.

â€œRachael, open the door. Please.â€• â€œNo.â€• I yelled back thought my bedroom door.

â€œJust let me in I want to talk to you.â€• Dylan was on the other side of the door; he had followed me upstairs when I had run out of the kitchen, before the water starting boiling for the tea.

â€œCome on, please.â€• â€œDylan, just go away. I am not coming out. I don't feel like meeting any more new people. I think I'm acting like a baby.â€•

â€œRachael you are the one that said you wanted answers.â€•

â€œYeah from Lucy and Irene, not some guy that calls himself my father. NO. I'm not coming out.â€œJust let me in to talk

â€œYou don't have to go downstairs. I'm not going to drag you down there; I just want to talk to you.â€•

Lucy was at the door, â€œhoney I have your tea.â€•

â€œLucy, I'm never drinking tea again, so forget it. I don't want it. Thank you anyway.â€• I heard them laugh. This is not how you don't know how I feel. I'm scared. I heard Dylan say to Lucy, go on, I'll talk to her. I really wanted to let Dylan in

was having those doubts about him again. I wish I could trust someone. Dylan, I'm calling my Aunt; my real Aunt Sally.

No don't do that, yet. Wait till you heard everything. I put my face in my pillow and started crying.

â€œOh honey, what's going on? What did he do to you? What was this a party in the hallway.

â€œRachael, are you Ok.â€• Rick asked.

â€œShe's ok Rick, and I didn't do anything.â€• â€œHmm maybe that's the problem. Do you want to talk about it Rick?

Oh god, I didn't want to talk about anything, not any more. But I did feel safer with Rick knowing something was wrong.

He could be a witness, if I needed one. I got off the bed and went to the door. Just Rick, ok Dylan, I don't want to talk to you right now. I'm not sure about any of this. Dylan looked like I just punch him in the stomach. But, I just couldn't talk to him right now. I needed someone else's opinion. A different view on this. What ever it was. I'm sure Rick had some

insight. He lived here for two years. He must know something or saw things that maybe he though was strange. Because it didn't seem like anyone I've met so far though anything was strange. Dylan started walking toward the steps but then

turn around just as I was closing the door. Rachael, I'll be downstairs if you need me. You know, I'm not the enemy. I saw it in his eyes that he was hurting. He looked like he was torn. I knew there was something Dylan was keeping from me.

And that's exactly why I wanted to talk to Rick; I nodded to him, and then close the door.

Rick was sitting on my bed; he patted it for me to sit with him. â€œNow what going on, are these old ladies scaring you. How did you guess? Rick did you know that Lucy is my Grandmother. No, I didn't know that. But I do know Lucy is one cool old

lady. Well yes she is, and Irene is my aunt. Apparently, I have this whole family I didn't know about. And I thought it was my idea to come to Salam. They probably had it all plan. I wondered if Dorothy was in on it too. See when I got here, I

thought my mother was dead. And then the other night she was in the park chasing us. â€œYeah I heard about that. Everyone has. But, I didn't know it was your mother. Yes, I can't believe she tried to kill me. I thought she was the one

that was murdered. I just letting it all sink in now. Well that's a lot to digest honey. Boy, you know how to get the ball rolling. â€œI don't even know what I did. I don't even know how to respond to all this. Now they tell me my real father is

coming here tonight to explain further, and I just can't meet him just yet. I don't have the courage to look at him. Then I couldn't hold it any longer and begin to cry again. Rick started patting me on the back, ok honey, you don't worry. We

figured this out. But I think you should find out what the hell is going on. I would want to know. All you need is some inspiration. He jump off the bed, and run to the door, he was wearing slippers and red jogging shorts that were very

short. He reminded me of Richard Simmons, I had to laugh. â€œI'll be right back, don't go anywhere.â€• He was back in minutes with two shots glasses and a bottle. I said what is it. Liquid courage!!! Oh I don't know. It will make you feel

relaxed. Maybe even fall asleep. Here try one at least. It's the best, Vodka. Ok â€œI drink it and it was the worst taste; I never drink anything, no less straight vodka. He took one too. Now what you have to remember is, the way they are all

coming out of the woodwork because you're here, well you have something they all want. I don't know what it is, but I do know when people are interested, they also have something to gain. It seems to me, you're holding all the cards. You just

don't know what that is now. And I think the faster you find out. The faster you can play them. Here have another. My head was just a little dizzy, but I did felt stronger, and what Rick was saying was making perfect sense to me. Your right, I just don't know what it is yet. Then I tilted my head back to drink the shot. So if I were you, I would march right down

there and demand to know everything. â€œRight.â€• I said, let me have another one. I was getting hot, and I was getting just mad enough to do just that.â€• â€œRick, have you ever notice anything about Lucy or Dorothy that was weird or strange?â€• â€œI

know Rachael, I always wondered about Lucy and Dorothy, before Dorothy got sick, they were always up to something in the kitchen, making this and making that. Always up late and looking like they were hiding something. â€œBut, I thought

Lucy, didn't cook?â€• â€œShe don't, that's just it. What ever they were making, it wasn't to eat.â€• â€œPeople were up hours, leaving with what ever it was they were doing?â€• I made like I didn't know anything.â€• Rick poured us another, and

then he said and another thing, I wouldn't be so hard on lover boy. I heard he is rather nice, that Casey bitch, mess with his head or his pride one of those things that is so important to man like that. He's too proud to say it, but he was

humiliated. I give him credit for trying again. He looked at me and handed me shot. Then we were laughing again. I felt disloyal, but Rick was telling it like it is. â€œHey let me show you my new routine. It's Bang, Bang, he shot me down. Oh

maybe not. I started laughing so hard I was rolling on the bed. You are so funny. Yes I want to see it. Go on. Ok he said, let me open a window it's hot in here. He went over and opened the window and then turned around and pointed an

---

imaginary gun at me. Bang, bang he shot me down, bang bang I hit the ground bang bang my baby shot me down

Could you separate the paragraphs a bit better? It would make it more readable.

Hmm... I agree that you need to separate the paragraphs. When someone new starts speaking, start a new line and a new paragraph.  
Not sure what you're trying to drive at with this story... maybe you could try and make the plot a little clearer. I think you also should try to expand your vocabulary and read up more on the grammar/vocabulary/wordiness of writing to help you get it right. Your writing needs a little work but I think you could have a decent story if you worked on the things I mention.

## Re:Watching Hour

Posted by uggs on sale - 2011/09/01 20:22

2007 UGGs On Sale trend since the beginning of my life to follow suit and buy a first pair of UGG - of course, I bought on Taobao, the Chinese people for the ability to respond very fast fashion, you can even in the Beijing Zoo Wholesale market to find the last Paris fashion week new models of imitation. This year, I thought this brand hopeless situation, but after the sad discovery stroll around, can go into my jeans, still only UGG Amberlee. Blue Harbour shopping center in Beijing shop, while back there was a line to buy even the phenomenon, the staff selected items in the store door control the number of guests, out of a group, and then into a group, boots prices soared along with prices , a pair of basic models have a small two thousand.

UGG Retro Cargo in the end how red? Take China for instance, the degree of red just like that section of LV Neverfull handbags, like up to Zhang Ziyi, next to his mother comes in different forms, a pair of manpower. If you been to Beijing Maternity Hospital in winter, you can also "surprise" that every belly bulge of the foot will tread one pairs of mothers UGG Roslynn. Listen to friends that she had met in Dubai, the local woman wearing a black veil, you can vaguely see the pedal pair of UGG Highkoo, these shoes warm desert weather with enough feet to walk in a pressure cooker, in still wear such circumstances, sufficient to show the magic of these UGG Kensington.

So, UGG Kenly what? It is how the red up? This affected the whole of the global fashion community event, break it open, may be disappointing. To be honest, at this time, we do not lack for fashion design and creative, but how to get more people to see and accept, however, is to look at the success of this business case.

In this sense, UGG Classic Mini represents a new brand and new things in the era of the rise of new communication path.

UGG Knightsbridge is actually not a brand, but a form of UGG Fox Fur. Thick stupid snow boots, warm but very lightweight. There are now more popular brands: UGG Australia, Yellow Earth, Blue Mountains and so on.

Main outdoor brands in the U.S. company bought the UGG Delaine Deckers before, these boots mainly for a breakdown of the crowd - surfing enthusiasts. Deckers took over after that, with exquisite materials (must be Australian A-level anti-wool skin) and comfortable foot feeling, UGG Jimmy Choo can break the barriers of the professional market by more consumers.

So, Deckers try a pair of UGG Classic Cardy as a gift at that time due to star in "Beach Guard" and was crazy paparazzi shot of the actress Pamela Anderson to recover, while wisely included a pair of UGG Classic Tall to the small Anderson daughter. UGG foot feeling so comfortable to wear to the small Anderson, feet first, with the parents and daughter to wear, Anderson also tried to wear a UGG. It is superior warmth and comfort impressed Anderson, people from frequently see in the picture from UGG Rayathe gossip Anderson wearing it at the shooting scene, and began to wonder why the actress is so popular that two-odd boots.

Influence influential people, and spend the least money, which is the company's strategy Deckers. In this process, the fashion industry is not without sound, the very beginning, those who used to create a sense of distance in this two-civilian boots do not complain, or even that this is the dress from the Australian farmers. Deckers boots up to the hands of Oprah Winfrey, surprise, talk show queen is like, then gave her to buy 350 pairs of all employees, and the show "Oprah's Favorites" Introducing the unit to the audience of this pair of shoes. Obviously the concept of opinion leaders is very important, have to say, most of the fashion world but it is still the fence, so, more and more people began to notice the odd shape was many celebrities love the UGG Mayfaire, Gwyneth \* Paltrow, Cameron Diaz, and even Spielberg family

---

wearing UGG Tassel have often appeared in public, and their street shooting pictures frequently appear in fashion magazines.

Fall fashion discourse full circle makes the market psychology has accumulated enough heat. In order to continue to be detonated longer popular, Deckers addition to developing more new products, the topic will be the focus of attention the past few years, "who wear UGG Bailey Button Triplet", guide for the past two years, the "UGG how to wear" . With the street shooting star to help ordinary people to join this a boom among the participation in this show business go into continued momentum.

If you want appraisal fashion phenomenon of the last five years, then, in addition to UGG Classic Short, the list should have Crocs, which is double hollow plastic shoes swept the globe. It UGG Sheepskin Cuff Another common point is to break the routine for our understanding of the shape of shoes, in the beginning there is, are with the "ugly" word to describe, but later, Crocs successfully passed the former U.S. President George W. Bush on vacation photo wearing Crocs, opened the first down the entire market.

Seems to be the same starting point, but UGG Annabelle Crocs not so beautiful now, although there are developing products for fall and winter wear, but the latter is far less practical degree. After the initial wave of the past, sought after people began to reflect this double-expensive plastic shoes in the end worth it?

This is a brand appeal on the tragedy. UGG Bailey Button not yet have this kind of problem, which was double the Party, was under the Beijing subway boots, still in a noisy fashion circle has a private plot. We have the anti-"Ray," the ability to accept the ideas of the designers of various experimental products, but how about changing the aesthetic of this battle continues, and perhaps they should think about.
