
HELP!

Posted by Erin - 2009/12/01 14:06

i'm only thirteen, but honestly i need published. a lot of you may say that i don't have any chance right now, but i'm not giving up. i am very confident my writing has what it takes. i've written novels before, and am working on one now that i want nothing more than to be published. but i have no idea where to begin! self publishing is often really difficult, and getting in ISBNs and barcode seem time consuming and/or hard.

is there anyone out there who can help me? my future is going nowhere unless i am published.
sounds melodramatic, but seriously it's the only thing i want to do with my life. i need to get a start now.

so if there's anyone who can help me, please!!!! i'm begging you! just tell me how YOU did it or something!!!
